What says love like an evening of sumptuous food and creative libations? At Leonora in the Sebastian, Vail we're celebrating love, in all forms, with a prix fixe dinner from the kitchen of Executive Chef Tyson Peterson on February 14th. For those who loath the idea of Valentine's Day, head over to Frost bar, also in The Sebastian for "Thank U Next" party, a night to celebrate those who may want a Mr. Right Now instead of having a Mr. Right to spend Valentine's Day with.
