THE RAMBLE HOTEL

Death & Co., the acclaimed East Village craft cocktail bar, is coming to Denver—its first location outside NYC. And the location? The new three-story Ramble Hotel, opening later this year in RiNo. The hip new spot is the work of Gravitas Development Group, the brains behind the 25th & Larimer complex (with Cart-Driver and Work & Class); Death & Co. will operate a lobby bar, a mezzanine bar and a morning coffee bar.

HOTEL INDIGO

Walk into Hotel Indigo and you'll first see Norman Epp's "Wildwood Cronesong: Survival" sculpture anchoring the lobby. Then Barkly, the hotel's golden retriever ambassador, will come to greet you. Clearly this is not your typical hotel. From rustic design to local food to being extremely pet friendly, Hotel Indigo is all about pairing luxury with an "indie spirit." Here, sliding barn doors reveal luxury bathrooms and eating on property means walking next door to (or ordering in from) Hearth & Dram.
